PRINCIPAL'S NOTES.

Well, with one term down and two to go 1976.,
is well under way.

From comments that I have heard from the
community the school is functioning in an acceptable
manner and offering many of the things that the
community wants. I am very pleased with this level
of acceptance and attribute it in no small way to
the competence and professionalism of our staff.

We have some interesting features coming up
in term 2 (begins on Monday 24th May) which include
more adult education classes, electives for secondary
students and stability in the primary school among
other things.

I thank the town for its support of the school
in fund raising throughout the term and look forward
to more community involvement in an enquiring sense
as the year progresses.

N. J. Golding

TOWN NEWS.

MAY DAY MARDI GRAS BALL

Last Saturday evening the School Council with the very able support of the Welfare Club and Pre-school mothers held a most successful social evening.

On behalf of the School Council and myself personally, I would like to thank all people who helped to make the evening the success it was.

To date the Gross takings appear to be approximately \$2,000. 00 (Two Thousand Dollars) which once again demonstrates the generosity of the people of this town towards their school.

Would people who still have items to collect and accounts to settle from the auction please do so as soon as possible so the book work can be finalised.

Thank you one and all,

Kevin G. Schrapel
President, School Council
