

# 25 years Silver Anniversary

The Bible has been around for a long time and is taken for granted by many without any thought for what it is about.

In it, in the book of **Jude**, we read: "*Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that you should earnestly contend for the faith which was once delivered unto the saints.*"(verse 3).

The Coober Pedy Revival Fellowship predates many of the services in Coober Pedy as shown on the obverse of this flyer. 11th August 2008 marks the Silver Anniversary (25 years) of the beginnings of the Fellowship in Coober Pedy. The group has the same teachings from that day to this and has worked assiduously to protect and preach the 'Common Salvation' which was 'once delivered'.

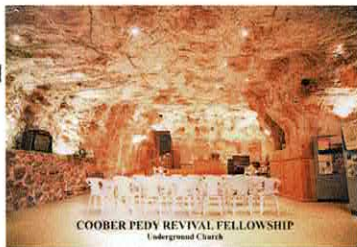

In a changing world the deep truths of the Bible are jealously held. Moral issues and standards are fought for. In a changing world the unchanging Bible teachings challenge foolhardy and wrong concepts. The meetings and message are the same. The pioneering Pastor remains in leadership of the Fellowship.

You are invited to any of our regular meetings. No obligations in coming in for a look! The Hall is open to the public daily.

The message of the Apostle Peter to those 'pricked in their hearts' on the first day of Pentecost cannot be improved upon nor changed.

Read it for yourself in  
**Acts chapter 2 verses 37/41**

**Hebrews 13:8** "*Jesus Christ the same yesterday, and today, and forever.*"

May God bless your seeking.
